Mr. Cunningham states that, concerning EAF, there appears to be some feeling that it is inequitable - i. e., that the GS-15 gets better treatment than the GS-07. Mr. [] suggested that the reason for such a feeling could be because of the high-level membership of the Board - there are no journeymen on it. It was suggested that perhaps there should be some publicity on the winners and their family situation; also consider including the field in EAF and PSAS driver.
